

City of Newport Beach - Building Department

-

ADMINISTRATIVE POLICY

Effective Date	Subject	Policy No.
June 12, 1997	City Jurisdiction	ADM 101.2-1

The Building Department's authority, in enforcing the building and other technical codes, does not extend to federal, state and county buildings. These agencies have their own design and construction programs including approvals and inspection. Therefore, no building permit is required for those buildings.

This policy supersedes any previous direction or memorandums.

Jay Elbetta, Building Director
